Supplemental Action

Claims 1, 3 and 6-9 are pending

Pursuant an interview of October 8, 2002, it was agreed that the finality of the last office action will be withdrawn because it appears that Applicants' amendment to limit the claims by deletion of "or a fragment thereof" was actually in response to a 35 USC 112, second paragraph made in the previous Office action of December 20, 2001. Therefore, the finality of the last office action is withdrawn, however, all of the grounds of rejection in the last rejection are maintained for those reasons of record set forth in the last office action of September 30, 2002.

All claims fail to be patentably distinguishable over the state of the art discussed above and cited on the enclosed PTO-892 and/or PTO-1449. Therefore, the claims are properly rejected.

The remaining references listed on the enclosed PTO-892 and/or PTO-1449 are cited to further show the state of the art.

No claims are allowed.
